Casa Vizcaya combines the serenity of it's building location with the convenience to be in the heart of Manhattan in less than five minutes. Let the 7, E, V, N, R or G trains take you there without the worry of traffic. Hunters Point sits across from the New York Skyline between 24th St of the Midtown Tunnel to 20th St of the Queens Bridge. On the Southern tip, the Pulaski Bridge links Long Island City to Greenpoint and Williamsburg. This area is a central hub with access to major bridges, tunnels, several subway lines, LIRR and water taxi services as well as easy access to the IQR and the LIC. LIC is home for several art institutions, quiet shops, boutiques, art galleries, gourmet restaurants and the famous Farmer's Market. The Promenade is landscaped by the well known vintage Pepsi Cola sign on the river's edge where you can watch the amazing sunset over the Manhattan skyline, a reminder that you are in the greatest city in the world.
